

# SCAVENGER HUNT

Name:

- a feather (do you know what kind?)
- a nibbled leaf
- shiny
- a round pebble
- a seed
- blue
- spiky
- fuzzy
- see through
- soft
- wet or dry
- a flower or a weed (what is the difference?)
- signs of animal presence (scatt, footprints, nibbles, where they rest, fur, animal kills)
- built that is old
- built that is new
- protecting the environment (how can you tell?)
- might be hurting the environment (how can you tell?)
- somewhere people work
- somewhere people play
- where people grow food
- where people buy food

# My Visual Journal

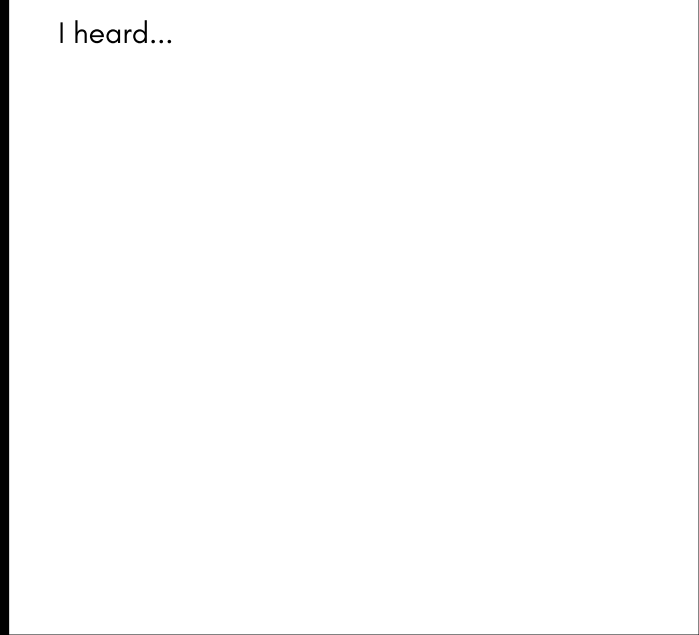

Find a special place you will revisit several times. The trick many people don't know, is that anywhere can become special if you look closely enough, so don't worry too much about finding an "exact" place.

You can use words or sketch to tell about your experience being in that place.

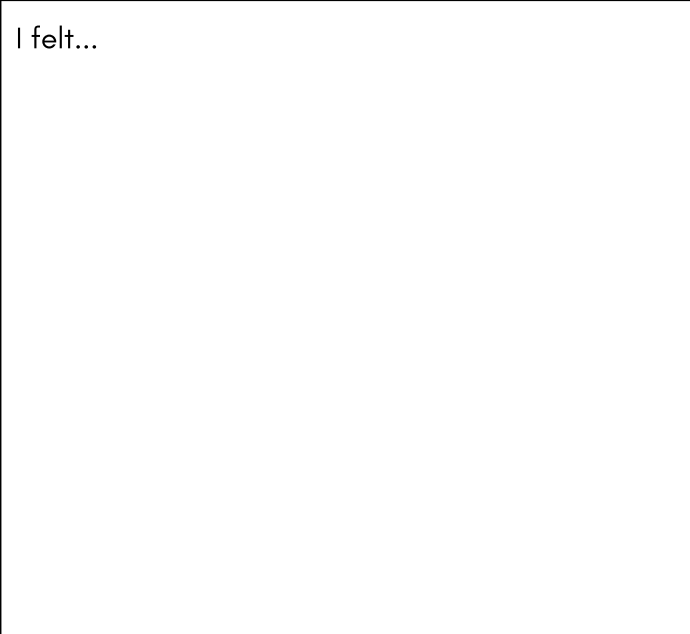

I saw...

I heard...

I felt...

I thought...
